IN YOUR ARMS

A2 Amaj7
As I wait in the silence
E D2 A2
Longing just to hear Your voice calling me
Amaj7
Even just a whisper
E D2 A2
Would be enough to set my heart free
D2
And take me to where I want to be

Chorus

A Amaj7
In Your arms, and at Your feet
D2 E
I'd be praising You the way You meant it to be
A Amaj7
In Your arms, and looking in Your eyes
D2 E A2
Like a child, in Your arms

A2 Amaj7
Memories they take me
E D2 A2
To a time I was much closer, closer to You
Amaj7
But the longing now inside me
E D2 A2
Was there before and it's there now even more
D2
Satisfy me, I need more

E F#m
If I would only follow You
D2
I know You'd take me there
E F#m
Spirit will You take my hand
D2 E
Will You take me there, will You take there

Chorus
A2 Amaj7
To Your arms and to Your feet
D2 E
I'd be praising You the way You meant it to be
A2 Amaj7
In Your arms, and looking in Your eyes
D2 E
Like a child, in Your – (CHORUS)
