

BEAUTIFUL

D2

It's a beautiful world You have made

Whether the sky's blue or grey

G D2

It's so beautiful – so beautiful

In a calm or in a storm

We know Your peace, we see Your power

G D2

And it's so beautiful – so beautiful

Chorus

Asus4

And it causes me to praise Your Name

G Asus4 Bm – G - A

You are the God who made all things and You're beautiful

D2 Asus4

And although You are Almighty God

G Asus4 Bm G D2

We can still call You Abba Father, You're beautiful, so beautiful

D2

I see a cross upon a hill

I fix my gaze, I'm standing still

G D2

You're so beautiful – so beautiful

And when I think of all You've done

And how you gave Your only Son

G D2

You're so beautiful – You're so beautiful

D2

Heaven's gates are open wide

All because Jesus died

G D2

Yes He's so beautiful – so beautiful

And anyone who trusts in Him

Will have the right to enter in

G D2

Yes – He's so beautiful – You're so beautiful

Michael Marcus
