

G  
You must've been so alone,  
D Csus2 D  
Your Heavenly Father couldn't even bare to see Your face.

Bridge: A Csus2  
With the scars so deep You wrote a cheque in blood,  
G – Csus2 – G – Em sus2  
that set my heart free.

A7 sus2 Csus2  
Your love compels my heart and demands my soul,  
Em sus2 D  
To worship eternally, Jesus You died for me.

Chorus: Csus2 G D  
Such love, a love I cannot understand  
Csus2 D  
This love is so strong,  
G Em sus2  
Well it binds my heart back to Him,  
Csus2 G D - Em  
Gave the chance for me to live again,  
G Csus2  
Such love, my mind cannot take it in –  
G  
Could only be the love of the Father Heart.
