

## IN YOUR ARMS

A2 Amaj7  
As I wait in the silence  
E D2 A2  
Longing just to hear Your voice calling me  
Amaj7  
Even just a whisper  
E D2 A2  
Would be enough to set my heart free  
D2  
And take me to where I want to be

## Chorus

A Amaj7  
In Your arms, and at Your feet  
D2 E  
I'd be praising You the way You meant it to be  
A Amaj7  
In Your arms, and looking in Your eyes  
D2 E A2  
Like a child, in Your arms

A2 Amaj7  
Memories they take me  
E D2 A2  
To a time I was much closer, closer to You  
Amaj7  
But the longing now inside me  
E D2 A2  
Was there before and it's there now even more  
D2  
Satisfy me, I need more
