

Joy Comes In The Morning

Words and music by Michael Harcus

G

You seemed so far away

Now You are so near

Am D G
I'd been chained by my insecurity and fear

Am D G
But now I can fly as high as the eagle flies

Am D
And with Your wind beneath my wings, I've found that

Chorus:

G Am
Joy, joy comes in the morning time

G
And it's just after the darkest hour

Am
Strength, strength comes to those who wait

G
To those who wait on the Lord

Am D
And peace comes to those whose will

Csus2 G
Is surrendered to the heart of God

G
A Saviour and a Friend

You have been to me

Am D
Oh but when I called You Lord

G
Were you Lord of me?

Am D
But I have found a place in God

G

It's the best place to be

Am

D

With a repentant heart and surrendered will, I've found that

Bridge:

Am

D

And you can find a place in God

G

You'll never want to leave

Am

D

'Cause a repentant heart and surrendered will, will find
