

NOT HOME YET

Intro - C - F - C - F - G - C

Verse 1

I've walked a few miles down this road

But I'm not home yet

Well I've looked to the right

And I've been to the left

I didn't find peace there

Cos it's a straight and narrow road

And I want to walk this way

Chorus

Cos all I am and all I have

Is to be found in you

Yes all I am and all I have

Is to be found in the one who gave His life for me
