

## One Day I'll know

**D**                      **G**                      **Bm**                      **G**  
 There are days that I wonder what'll heaven be like  
   **D**                      **G**                      **A**  
 I look to the stars shining so bright  
   **D**                      **G**                      **Bm**                      **G**  
 This world you created the beauty You made  
   **Bm**    **G**  
 When all this is gone what'll heaven be like
