

## THE CRUCIFIED KING

D A7sus4 A7

What I could not do, You did for me

D A7sus4 A7

Bought my pardon, now I go free

D/F# A7sus4 A7

And I'm protected, death plays no part

D

You bought me with Your life

A7sus4 A7

And You own my heart

D

Em A7

For they crucified the King, crucified the King instead of me

D

A7 D

Yes they crucified the King, crucified the King now I go free

D A7sus4 A7

Led up Calvary's hill He had a choice

D A7sus4 A7

To stay in silence, or raise His voice

D/F# A7sus4 A7

"Not my will but Thine" was all He ever said

D A7sus4 A7

Picked up His cross and patiently was led

D

Em A7

So they crucified the King, crucified the King instead of me

D

A7 D

Yes they crucified the King, crucified the King now I go free

Em A7

Yes they crucified the King, crucified the King instead of me

D

A7 D

Yes they crucified the King, crucified the King now I go free

G            D/F#                    Em            D/F#            G  
I'm protected; I'm made clean by the blood of the King

          D/F#    Em

So freely given

G   D/F#                    Em            D/F#

Accept Him and Jesus will be

G   D/F#                    Em

Your eternal salvation
