

UNCHANGING GOD

F

Even in the winter time

Dm

Even in the darkest places

Bb

Even when I feel so cold

C

I know that You're still faithful

F

Even when I hurt inside

Dm

Even when I'm feeling dry

Bb

I know that I can come to You

C

The God who's always faithful

Chorus

F

It really doesn't matter how I feel

Dm

I'm trusting in the only God – and I know He's real

Bb

C

On the mountain tops – and even in the valley places

F

He promised that He'll never leave me

Dm

I know that He will keep His word

Bb

- C

So no matter how I feel

F

He's still the unchanging God

F
Even when I'm feeling down
Dm
Thinking that there's no way out
Bb
And wondering if You're still around
C
I know that You're still faithful
F
Even when I'm feeling lonely
Dm
Or struggling with my fear and doubt
Bb
I know that I can come to You
C
The God who's always faithful
